

Dear Parents,

The ***Starry Night Auction*** committee is busy planning this year's event, which will be held ***Saturday, February 10, 2018***, in the school's gymnasium. Last year's event was a huge success thanks to all of you! We raised more than \$50,000, which was used toward the purchase of curricula including religion, the brand new copyright of *Voyages in English*, middle school math and iPads for the 2017-2018 school year. This year our goal is \$75,000, which is the money needed to purchase the required replacement of our K to 6 math program and social studies curricula for the 2018-2019 school year.

Each homeroom class, Pre-Kindergarten through Grade 8, has come up with a theme and will be assembling a unique and special auction item to donate. We need your help! We are asking that each child make a donation. Please list your child's name and homeroom below, attach payment (checks are to be made payable to St. Joseph School), and send it to the office in an envelope marked "Auction" by December 1.

Thank you for your participation. We look forward to a fun and exciting evening!
