

# SCRIP

The Scrip program is an easy way for you to do the following:

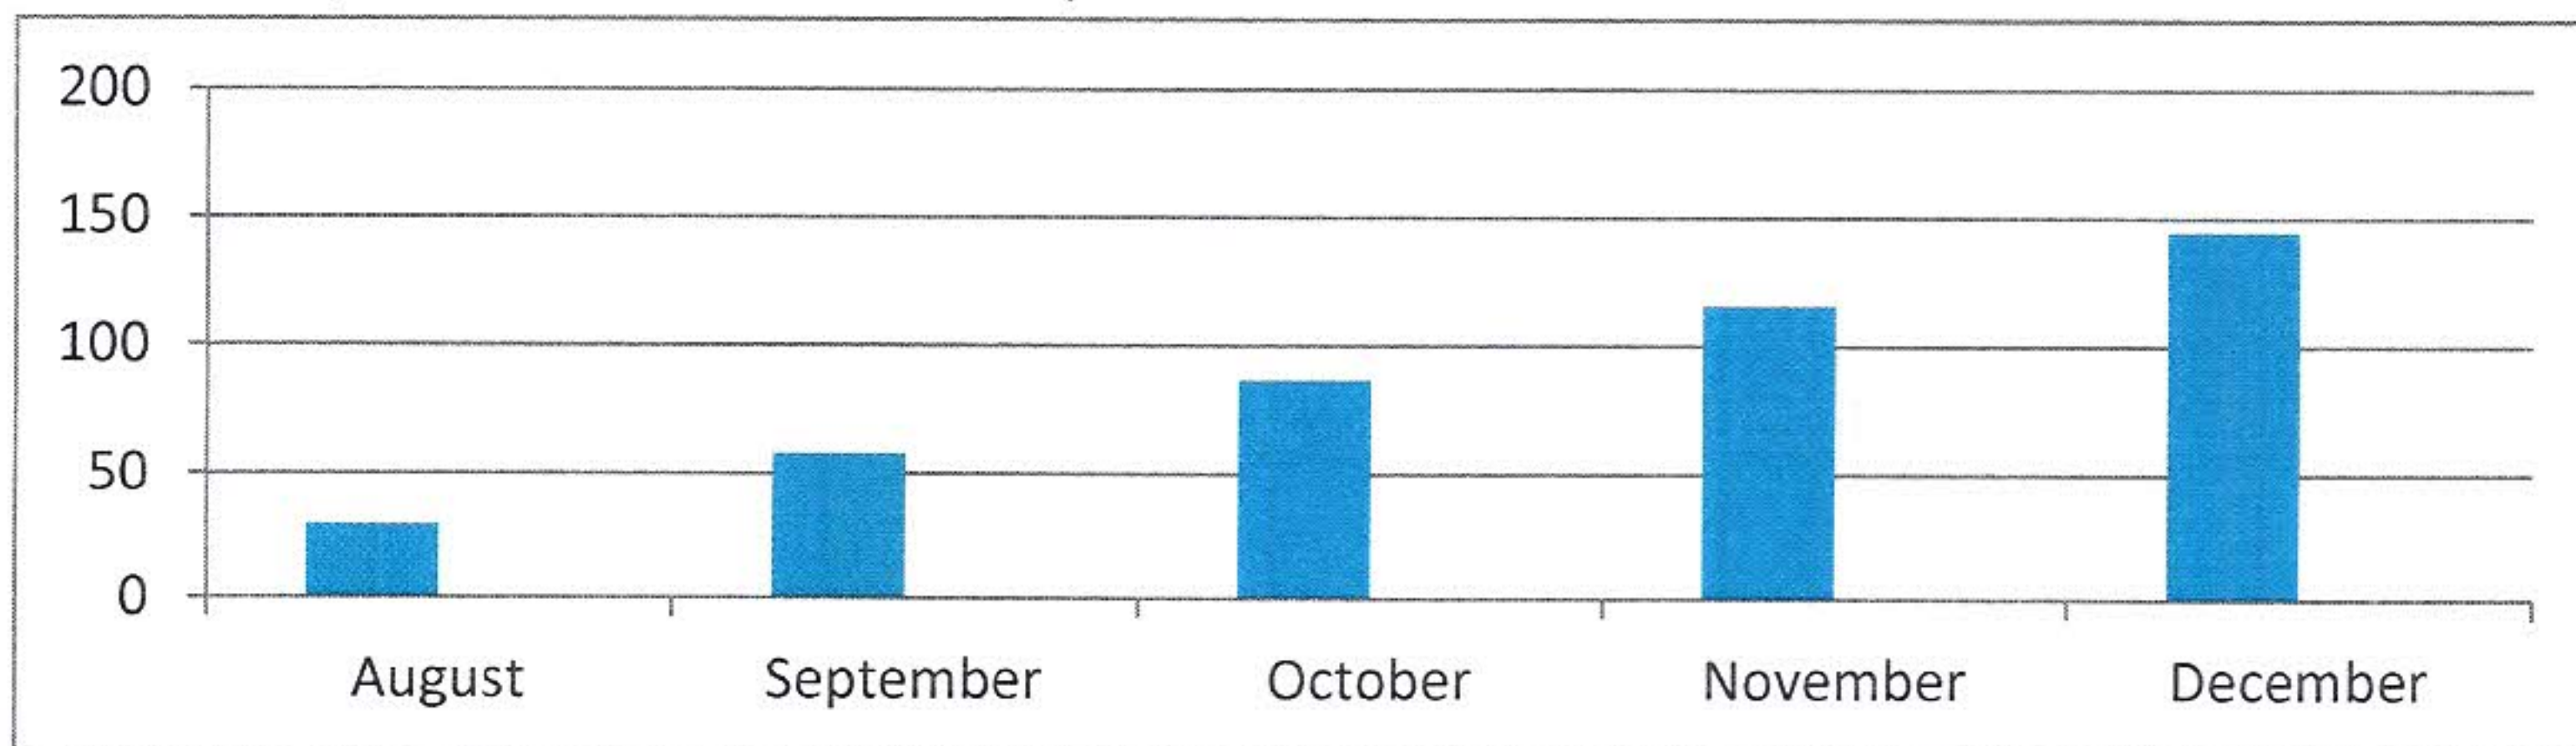

- raise funds for technology needs at St. Joseph Catholic School
- earn free money to use towards your registration fees and tuition

The Scrip program works with over 200 local and national businesses who donate a certain percentage of money back to our school for every dollar you spend on the purchase of their gift cards. When you use Scrip gift cards for your regular shopping needs, you automatically contribute to the school's technology fund **and** earn money to use towards your child's registration and tuition fees – with no further effort besides purchasing the gift cards through the school!

Here's an example:

A family of four spends \$600 on groceries at Winn-Dixie every month. They also spend \$200 a month on gas at Shell. Winn-Dixie provides a profit percentage of 4% on every dollar you spend, while Shell provides a profit percentage of 2.5%. If we multiply \$600 by 4%, we earn \$24, and if we multiply \$200 by 2.5%, we earn \$5. Your Scrip profit for the month is \$29, half of which goes to your personal account. If you use Scrip gift cards to purchase gas and groceries from August to December, you would make \$145. In January, you would receive approximately a \$73 credit towards registration fees, and you would provide a \$73 contribution to the school technology fund.

Scrip Profit on Gas and Grocery Purchases Over a Five-Month Period

If every family in our school used the Scrip program to purchase their gas and groceries for five months, we could make over \$21,000 for our school's technology fund! And if each family used Scrip gift cards to purchase Christmas gifts, school supplies, restaurant dinners, or movie tickets, the earning potential is incredible.
